Oh what a difference a year makes! Almost a year ago, we were moving into our lovely temporary home. Now we can't wait to move into our new permanent home. We're almost there! We're excited to have a drive-thru again, more office space, more storage space and a larger parking lot. Watch for announcements concerning moving day and opening in our new building!

## Keeping You Cyber Safe

We've all heard the importance of changing your smoke detector batteries in spring and fall—during daylight savings time. You take your car in for maintenance every 15,000 miles. MCCU offers shred days to eliminate documents you don't need anymore. What about your digital life? Monitoring your online reputation can keep your identity safe.

Parents and older kids with social media accounts can take an active role in making sure their online reputation is squeaky clean.

Own your online presence: Review the privacy and security settings on websites you use ensuring they remain set to your comfort level for sharing. It's OK to limit with whom you share information.

Clean up your social media presence: Delete old photos and comments that are embarrassing or no longer represent who you are.

Save only those emails you really need and delete or archive what you don't need. Empty your deleted mail folders.

Delete or archive older files such as numerous drafts of the same document and outdated financial statements. Unsubscribe from newsletters, email alerts and updates you no longer read.

If you are disposing of your electronics, look for facilities that shred hard drives, disks and memory cards.

Delete photos you don't want—then back up the ones you want to keep. Review contacts on social media and in your email and phone. Delete those you don't need anymore. Permanently delete old files.

# Interest bearing news...

- -Are you graduating from high school, college or trade school? MCCU would like to congratulate you! Stop by the credit union, 1999 S Main, McPherson, for our gift to you. Watch your mail for details!
- —Shred day will be May 5 from 10 am to 2 pm in the parking lot of the credit union. Bring in sensitive documents—credit card receipts, credit reports, personal papers and medical records. No need to remove staples, folders, rubber bands or paper clips before shredding!
- -Annual meeting update: due to our renovations, our annual meeting was not held in March as usual. We will have an open house sometime after we move. Watch for future announcements!
- -National Credit Union Youth Week, which is usually held in April will be celebrated in June. Watch for announcements as to when you can pick a prize while making a deposit and sign up for grand prizes to celebrate our youth!

We're excited to share a new electronic signature service for our members! DocuSign is a software that will allow us to provide superior service— from opening new accounts to finalizing loans. DocuSign will help you complete transactions from your smart phone, tablet or computer. We'll need your current e-mail address for accelerating transaction times!
