Mobile Banking Service

Mobile Banking is offered as a convenience and supplemental service to our Online Banking services. It is not intended to replace access to Online Banking from your personal computer or other methods you use for managing your accounts and services with us. Mobile Banking allows you to access your MCCU account information, transfer funds between your accounts, deposit items remotely and conduct other

banking transactions. To utilize the Mobile Banking service, you must be enrolled in Online Banking (PC Banking).

We reserve the right to limit the types and number of accounts eligible and the right to refuse to make any transaction you request through Mobile Banking. We may also reserve the right to modify the scope of the Mobile Banking Service at any time.

Mobile Banking may not be accessible over some network carriers. In addition, the Mobile Banking Service may not be supportable for all Devices. MCCU cannot guarantee and is not responsible for the availability of data services provided by your mobile carrier, such as (but not limited to) data outages or “out of range” issues.

We may modify the Mobile Banking Service from time to time at our sole discretion. In the event of any modifications, you will be notified prior to implementation of modifications. You are responsible for making sure you understand how to use Mobile Banking as modified. You also accept responsibility for making sure that you know how to properly use your Device and we will not be liable to you for any losses caused by your failure to properly use the Mobile Banking Service or your Device.

You agree that, when you use Mobile Banking, you remain subject to the terms and conditions of your existing agreements with any unaffiliated service providers, including, but not limited to, your mobile service provider and that this Agreement does not amend or supersede any of those agreements. You understand that those agreements may include fees, limitations and restrictions which might impact your use of Mobile Banking (such as data usage or text messaging charges imposed on you by your mobile service provider for uses of or interaction with Mobile Banking), you agree to be solely responsible for all such fees, limitations, and restrictions. You agree that only your mobile service provider is responsible for its products and services. Accordingly, you agree to resolve any problems with your provider directly without involving us.

You agree to contact us directly if you have any problems with Mobile Banking.

Any deposit account, loan or other credit union product accessed through this Mobile Banking service is also subject to the Account Agreements and Disclosures provided at time of account opening. You should review the Account disclosures carefully, as they may include transaction limitations and fees which might apply to your use of Mobile Banking.

Permitted Mobile Banking Transfers

You may use the Mobile Banking Service to transfer funds between your eligible MCCU accounts. You may not transfer to or from an account at another financial institution using our Mobile Banking Service. Federal regulation (Reg. D) requires financial institutions to limit the way withdrawals may be made from a savings or money market account. Each transfer from a savings or money market account using Mobile Banking is counted as one of the six limited transactions permitted during each monthly statement cycle period, as described in MCCU Membership and Account Agreement Disclosure and Truth-In-Savings Disclosure.

We may also limit the type, frequency and amount of transfers for security purposes and may change or impose limits without notice, at our discretion.

Further, you agree that no certification authority or other third party verification is necessary to the validity of your electronic signature.
