MCCU Kids Are Wild About Saving!

During the week of April 13th, youth will have the opportunity to go on a safari at the credit union as we celebrate National Credit Union Youth Week. Take a walk on the wild side! This year's theme, "Wild About Saving," encourages youth to use resources available at the credit union to help them cut their way through the jungle of financial responsibility. Before long, they'll be leading their own saving's safari!

Bring your zoologists to McPherson Co-Op Credit Union, April 13th through the 17th. There will be prizes for youth ages 0 to 17; daily giveaways; snacks on Friday; grand prize drawings, and you can have your picture taken in the jungle photo booth!

Whether they've been to the jungle or not, the call of the wild is enticing to youth of all ages. Check out the credit union's financial menagerie and get them wild about saving!

McPherson Co-Op Credit Union's annual meeting was held March 15 at the Opera House. After a short business meeting, prizes were handed out. Winners included: Britney Stos, shredder; Barb Hooper, tickets to a show at the Opera House; Amy Rush, \$100 bill; and Carrie Stockham, \$100 Visa gift card. Kid's winners included: Ezra Broadus, 2 adult and 2 children's tickets to Rolling Hills Zoo; Ariana Larson, 2 adult and 2 children's tickets to Tanganyika Zoo; Jonah McLean, 2 adult and 2 children's tickets to The Sedgwick County Zoo.

Approximately 300 were in attendance for juggler and comedian Mark Nizer and his 3-D laser light show. Refreshments of pop and popcorn were served.

About 80 NCRA retirees and their spouses attended a come and go reception prior to the meeting. They enjoyed Hors d'Oeuvres and visiting in the Grand Ballroom.

A Note From the Board President

We are happy to share that MCCU gave back over \$75,600 in bonus dividends to our members in December.

MCCU is currently 3,131 members strong! Don't forget that family members of NCRA employees qualify to become members.

This year, during the CHS transition, MCCU's business will continue as usual. In fact, we will be able to serve all employees and their families of CHS. You are the owners of MCCU and we look forward to continuing to serve you and future CHS employees and families.

MCCU has worked hard to become your main financial institution. We offer the products and services that you can get at a large bank and we offer these products and services at reduced costs to you in the way of lower loan rates, higher dividend rates and greatly reduced fees.

MCCU averages approximately \$800,000 a month in loan volume including processing about 22-25 car loans per month.

We invite you to come learn more about our credit union. The credit union mission is "People Helping People" and we would like you to give us the opportunity to make MCCU your banking choice!
